In case of a corporate entity, the Board of Directors' resolution / power of attorney with specimen signature of the nominee shall be produced (unless it has been provided earlier) at the time of the Meeting.
- (d) Members are requested to immediately notify change in their mailing addresses, if any.

DIRECTORS' REPORT

The directors of your company take pleasure in presenting the 50th annual report & the Company's audited financial statements for the year ended on June 30, 2013.

ECONOMY AND MARKET

The year under review remained quite challenging for our economy that continued to face numerous challenges during 2013 from the impact of devaluation, poor law and order situation and energy crises.

Despite significant challenges to the industry, your company has shown remarkable performance.

OPERATING RESULTS

Sales

Nationally, sales of trucks and buses this year have been the lowest as compared to the last couple of years.

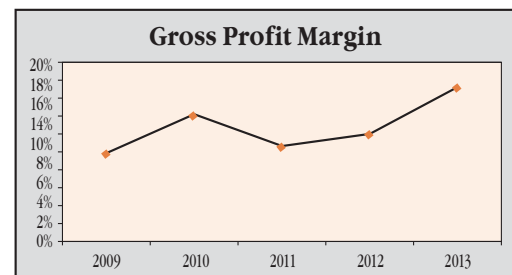

Despite all challenges and a downward sales trend of the industry, sales revenue of your company has increased by 42.91% from the preceding year.

Gross profit

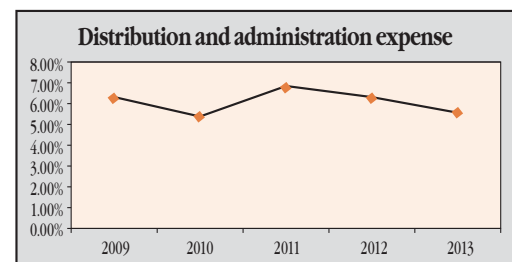

The gross profit ratio has risen from 12.01% in 2012 to 17.23% this year.

This improvement is reflective of effective cost management and control.

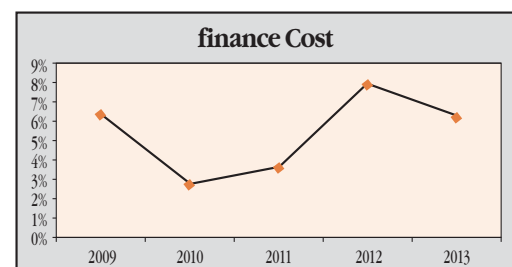

Distribution and administration costs

Distribution and administration costs in relation to sales have decreased to 5.6% from 6.31% of the preceding year.

Finance costs

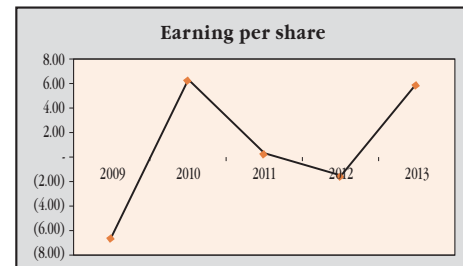

Finance cost of the company has decreased in relation to sales from 7.94% of the preceding to 6.25%.

Profit/ (loss) after tax

The company has made a pre-tax profit of Rs. 183.2 million against pre-tax loss of Rs. 43.3 million of the preceding period.

Earnings per share increased to Rs. 6 as compared to the previous year's loss per share of Rs. 1.46.

Financial performance

The financial results are summarized below:

	2013	2012
	(Rupees in '000')	
Profit from operation	359,061	113,025
Finance cost	(175,895)	(156,288)
Profit/ (loss) before tax	183,166	(43,263)
Taxation	(55,430)	12,178
Profit/ (loss) after tax	127,736	(31,085)
Earnings/ (loss) per share	6.00	(1.46)

For the year ended June 30, 2013, the Board in its meeting held on September 30, 2013 has proposed a final cash dividend of Rs. Nil per share, considering liquidity needs envisaged for repayment of borrowings and for sales commitments.

Auditor's report to the members

The position in respect of paragraph (e) of the Auditor's report is clarified as under:

In the light of the legal opinion obtained by the management of the company coupled with a constitutional petition sub-judiced before Sindh High Court, the Board is of the view that it is not liable for Workers Profit Participation Fund as detailed in note # 25.1 (iii) to the financial statements.

Code of Corporate Governance

The Board is pleased to state that the management of the Company is compliant with the best practices of corporate governance. The Board acknowledges its responsibility in respect of the corporate and financial reporting framework and thus states that:

- The financial statement prepared by the management of the Company, present fairly its state of affairs, the result of its operations, cash flows and changes in equity.
- Proper books of account of the Company have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Accounting Standards, as applicable in Pakistan, have been followed in preparation of financial statement.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- There are no significant doubts upon the Company's ability to continue as a going concern.
- There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations.

- The highlights of operating and financial data for the last six years are annexed.
- The value of investments of the Company's gratuity as on June 30, 2013 is Rs. Nil.

Audit Committee

The committee consists of three members; all are non-executive including the chairman of the committee. The terms of reference of this committee have been determined in accordance with guidelines provided in the listing regulations. The committee held four meetings during the year.

Board Human Resource & Remuneration Committee

The committee consists of three members; majority thereof including the chairman of the committee is non-executive. The terms of reference of this Committee have been determined in accordance with guidelines provided in the listing regulations.

Board meetings

During the year under review four Board meetings were held. Attendance at the Board meetings was as below:

Name of Director	No. of Meetings attended			
Mr. Raza Kuli Khan Khattak	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Mr. Ahmad Kuli Khan Khattak	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Lt. Gen. (R) Ali Kuli Khan Khattak	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Mr. Mushtaq Ahmad Khan	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Dr. Pervez Hassan	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Mr. Jamil Ahmed Shah	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Ch. Sher Muhammad	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Auditors

Present auditors, Messrs Hameed Chaudhri & Co, Chartered Accountants, have retired. Being eligible, they have offered themselves for re-appointment. The Board of Directors endorses recommendation of the Audit Committee for their re-appointment as auditors of the Company for the financial year ending June 30, 2014.

Pattern of shareholding

The pattern of shareholding as on 30th June 2013 & additional information thereabout required under Code of Corporate Governance are annexed.

Subsequent Events

No material changes or commitments affecting the financial position of the Company have taken place between the end of the financial year and the date of report.

Future outlook

It is anticipated the product demand and market to remain satisfactory, although the cost pressures will remain on account of Rupee devaluation, higher raw material prices, rising cost of utilities and other inflationary factors, Your management is determined to avail full benefits of the opportunities by continued focus on quality, productivity and cost control to improve its competitiveness.

Acknowledgement

We would like to take this opportunity on the 50th anniversary of your Company to thank our esteemed shareholders, employees, customers, suppliers, financial institutions and other stake holders for their support, confidence and co-operation during these 50 years. The results of your Company are a reflection of the dedication, commitment and contribution of all the employees of your Company.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2013

This statement is being presented to comply with the Code of Corporate Governance contained in Regulation No. 35 (XI) of listing regulations of Karachi, Lahore and Islamabad stock exchanges for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The company has applied the principles contained in the CCG in the following manner:

1. The company encourages representation of independent non-executive directors and directors representing minority interests on its board of directors. At present the board includes:

Category	Names
Executive Directors	Mr. Ahmad Kuli Khan Khattak
Non-Executive Directors	Mr. Raza Kuli Khan Khattak Lt. Gen. (R) Ali Kuli Khan Khattak Mr. Mushtaq Ahmad Khan Dr. Parvez Hassan Mr. Jamil Ahmad Shah Ch. Sher Muhammad

*The present Board was elected on April 10, 2012, prior to issuance of the revised Code on April 11, 2012. The Code 2012 requires atleast one independent director as per the definition of independent director, which would be applicable from next election of directors.

2. The directors, except for the followings, have confirmed that none of them is serving as a director on more than seven listed companies, including this company.

Mr. Raza Kuli Khan Khattak
Mr. Ahmad Kuli Khan Khattak
Lt. Gen. (R) Ali Kuli Khan Khattak

3. All the resident directors of the company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFII or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. No casual vacancy occurred in the Board during the year.
5. The company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
6. The board has developed a vision/mission statement, overall corporate strategy and significant policies of the company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the board have been duly exercised and decisions on material transactions, including appointment, determination of remuneration, if any, and terms and conditions of employment of the CEO, other executive and non-executive directors, have been taken by the board/shareholders.
8. The meetings of the board were presided over by the Chairman and, in his absence, by a director elected by the board for this purpose and the board met at least once in every quarter. Written notices of the board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.

9. The Company arranges orientation courses/ meetings for its directors to apprise them of their role and responsibilities. Further, a booklet on Code of Corporate Governance has been circulated amongst the directors on the Board. However, no training program was arranged for the directors during the year.
10. The board has approved appointment of Chief Financial Officer (CFO), Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.
11. The directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
12. The financial statements of the company were duly endorsed by CEO and CFO before approval of the board.
13. The directors, CEO and executives do not hold any interest in the shares of the company other than that disclosed in the pattern of shareholding.
14. The company has complied with all the corporate and financial reporting requirements of the CCG.
15. The board has formed an Audit Committee. It comprises of three members, who are non-executive directors including the chairman of the committee.
16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the company and as required by the CCG. The terms of reference of the committee have been formed and advised to the committee for compliance.
17. The board has formed an HR and Remuneration Committee. It comprises three members, of whom two are non-executive directors including the chairman of the committee.
18. The board has set up an effective internal audit function which is considered suitably qualified and experienced for the purpose and is conversant with the policies and procedures of the company.
19. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the quality control review program of the ICAP, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchanges.
22. Material/price sensitive information has been disseminated among all market participants at once through stock exchanges.
23. We confirm that all other material principles enshrined in the CCG have been complied with.

For and on behalf of the Board of Directors

Ahmad Kuli Khan Khattak
Chief Executive

Dated: September 30, 2013

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of Ghandhara Industries Limited ("the Company") to comply with the Listing Regulations of the Karachi Stock Exchange, the Lahore Stock Exchange and the Islamabad Stock Exchange, where the Company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to enquiries of the Company's personnel and review of various documents prepared by the Company to comply with Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on Internal Control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedure and risks.

Further, Listing Regulations of the Karachi, Lahore and Islamabad Stock Exchanges requires the Company to place before the Board of Directors for their consideration and approval the related party transactions distinguishing between transactions carried-out on terms equivalent to those that prevail on arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the Audit Committee. We are only required and have ensured compliance of the subject requirement to the extent of approval of the related party transactions by the Board of Directors and placement of such transactions before the Audit Committee. We have not carried-out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the status of the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended 30 June, 2013.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of GHANDHARA INDUSTRIES LIMITED ("the Company") as at 30 June, 2013 and the related profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- (a) in our opinion, proper books of account have been kept by the Company as required by the Companies Ordinance, 1984;
- (b) in our opinion:
 - (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
 - (ii) the expenditure incurred during the year was for the purpose of the Company's business; and
 - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June, 2013 and of the profit, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion, no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).
- (e) Without qualifying our opinion, we draw attention to note 25.1 (iii) to the financial statements, the Company has written back in the financial statements for the year ended June 30, 2007 provision for Workers' Profit Participation Fund for the year ended 30 June, 2006 based on a legal opinion and in a view of constitutional petition pending adjudication in the Sindh High Court on this matter.

If it is established that the provisions of the Company's Profits (Workers' Participation) Act, 1968 are applicable to the Company, provision in respect of year ended 30 June, 2006 amounting to Rs. 7.722 million including any penalties may become payable.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2013**

1. CORPORATE INFORMATION

Ghandhara Industries Limited (the Company) was incorporated on February 23, 1963. The Company's shares are quoted on Karachi, Lahore and Islamabad Stock Exchanges. The principal activity of the Company is assembly and progressive manufacturing of Isuzu trucks and buses.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984 shall prevail.

2.2 Functional and presentation currency

These financial statements are presented in Pakistan Rupees which is the functional currency of the Company and figures are rounded off to the nearest thousand of rupees unless otherwise specified.

2.3 Initial application of standards, amendments or an interpretation to existing standards

2.3.1 Amendments to published standards effective in the current year

Certain amendments to approved accounting standards are effective for accounting periods beginning on July 1, 2012 but are considered not to be relevant or to have any significant effect on the Company's operations and are, therefore, not detailed in these financial statements.

2.3.2 Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the Company

The following new standards and amendments to published standards are not effective (although available for early adoption) for the financial year beginning on or after July 1, 2012 and have not been early adopted by the Company:

- (a) Annual improvements to IFRSs 2011 are applicable on accounting periods beginning on or after January 1, 2013. This set of amendments includes changes to five standards: IFRS 1, 'First time adoption', IAS 1, 'Financial statements presentation', IAS 16, 'Property, plant and equipment', IAS 32, 'Financial instruments; Presentation' and IAS 34, 'Interim financial reporting'. The application of these amendments have no material impact on the Company's financial statements.
- (b) IFRS 7 (Amendments), 'Financial instruments: Disclosures', on offsetting financial assets and financial liabilities is applicable on accounting periods beginning on or after January 1, 2013. The amendment includes new disclosures to facilitate comparison between those entities that prepare IFRS financial statements to those that prepare financial statements in accordance with US GAAP. The Company shall apply these amendments from July 1, 2013 and does not expect to have a material impact on its financial statements.
- (c) IFRS 9 - 'Financial instruments - classification and measurement'. This is applicable on accounting periods beginning on or after January 1, 2015. This standard on classification and measurement of financial assets and financial liabilities will replace IAS 39, 'Financial instruments: Recognition and measurement'. IFRS 9 has two measurement categories: amortized cost and fair value. All equity instruments are measured at fair value. A debt instrument is measured at amortized cost only if the entity is holding it to collect contractual cash flows and the cash flows represent principal and interest. For liabilities, the standard retains most of the IAS 39 requirements. These include amortized-cost accounting for most financial liabilities, with bifurcation of embedded derivatives.

The main change is that, in cases where the fair value option is taken for financial liabilities, the part of a fair value change due to an entity's own credit risk is recorded in other comprehensive income rather than the income statement, unless this creates an accounting mismatch. This change will mainly affect financial institutions. The Company shall apply this standard from July 1, 2015 and does not expect to have a material impact on its financial statements.

- (d) IAS 19 (Amendments), 'Employee benefits' is applicable on accounting periods beginning on or after January 1, 2013. It eliminates the corridor approach and recognizes all actuarial gains and losses in other comprehensive income as they occur, immediately recognizes all past service costs and replaces interest cost and expected return on plan assets with a net interest amount that is calculated by applying the discount rate to the net defined benefit liability / asset. The financial statements for the next year will incorporate the unrecognized actuarial gains and losses in the other comprehensive income. The change will be recognized in accordance with IAS 8 - "Accounting policies, changes in accounting estimates and errors" as change in accounting policy.
- (e) There are other new accounting standards, amendments to approved accounting standards and interpretations that are mandatory for future years. However they are not considered relevant to the Company and therefore are not expected to materially effect the financial statements of the Company for accounting periods on the dates prescribed therein.

3. BASIS OF MEASUREMENT

- 3.1 These financial statements have been prepared under the historical cost convention, except for certain classes of property, plant and equipment which have been included at revalued amounts and staff retirement benefit which has been recognized at present value as determined by the Actuary.
- 3.2 The preparation of financial statements in conformity with approved accounting standards requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

The areas where various assumptions and estimates are significant to the Company's financial statements or where judgement was exercised in application of accounting policies are as follows:

- residual values and useful lives of depreciable and intangible assets (note 4.1 and 4.2);
- net realizable values of stores & spares parts and stock-in-trade (note 4.6);
- provision for taxation (note 4.9);
- staff retirement benefit (note 4.11); and
- provisions (note 4.18).

4. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

4.1 Property, plant and equipment

Leasehold land is stated at revalued amount and buildings on leasehold land are stated at revalued amount less accumulated depreciation and impairment loss (if any). Other classes of property, plant and equipment are stated at cost less accumulated depreciation and impairment loss (if any). Capital work-in-progress is stated at cost less impairment loss (if any). All expenditure connected to the specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific assets as and when assets are available for use.

Plant and machinery were revalued in 1995 by independent valuers and showed at revalued amount. The Company subsequently adopted cost model for plant and machinery and revalued amounts were treated as deemed costs. The surplus on revaluation of these assets, however, was recognized in accordance with section 235 of the Companies Ordinance, 1984.

Subsequent costs are included in the asset's carrying amounts or recognized as a separate asset, as appropriate, only when it is probable that future benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All repairs and maintenances are charged to the profit and loss account as and when incurred.

Depreciation on all property, plant and equipment is charged using the straight line method in accordance with the rates specified in note 5.1 to these financial statements and after taking into account residual values. The depreciation method, residual values and useful lives of items of property, plant and equipment are reviewed periodically and altered if circumstances or expectations have changed significantly. Any change is accounted for as a change in accounting estimate by changing depreciation charge for the current and future periods.

Depreciation on additions is charged from the month in which the assets become available for use, while on disposals depreciation is charged upto the month of deletion.

Gains or losses on disposal or retirement of fixed assets are determined as the difference between the sale proceeds and the carrying amounts of assets and are included in the profit and loss account.

Any surplus arising on revaluation of property plant and equipment is credited to the surplus on revaluation account. Revaluation is carried-out with sufficient regularity to ensure that the carrying amount of assets does not differ materially from the fair value. To the extent of the incremental depreciation charged on the revalued assets, the related surplus on revaluation of property, plant and equipment (net of deferred taxation) is transferred directly to reserves.

The Company assesses at each reporting date whether there is any indication that property, plant and equipment may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying values exceed the respective recoverable amount, assets are written down to their recoverable amounts and the resulting impairment loss is taken to profit and loss account except for impairment loss on revalued assets, which is adjusted against related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of that asset.

4.2 Intangible assets - computer software

Computer software licenses acquired by the Company are stated at cost less accumulated amortization. Cost represents the cost incurred to acquire the software licenses and bringing them to use. The cost of computer software is amortized over the estimated useful life i.e. 5 years using straight-line method.

Costs associated with maintaining computer softwares are charged to profit and loss account as and when incurred.

4.3 Investments

4.3.1 Investment property

Property held for capital appreciation and rental yield, which is not in use of the Company is classified as investment property. Investment property comprise of leasehold land and buildings.

Investment property are carried at cost or revaluation (i.e. deemed cost) less accumulated depreciation and impairment, if any.

Investment property were revalued in 1996 by independent valuers and showed at revalued amounts. The Company subsequently adopted cost model for investments property and the revalued amounts were treated as deemed costs. The surplus on revaluation of these assets, however was recognized in accordance with section 235 of the Companies Ordinance, 1984.

Leasehold land and buildings are depreciated on straight line method at the rates stated in note 7.

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals and repairs are capitalized.

4.3.2 Long term investment

Investment in Subsidiary Company is carried at cost less impairment, if any.

4.4 Long term deposits

These are stated at cost which represents the fair value of the consideration given.

4.5 Stores and spare parts

These are valued at the lower of cost determined on a first-in-first-out basis and net realizable value. Items in transit are stated at invoice value plus other charges thereon accumulated upto the reporting date.

Provision for obsolete and slow moving stores and spares parts is determined based on management's estimate regarding their future usability.

4.6 Stock-in-trade

Stock-in-trade is valued at the lower of cost and net realizable value except for goods in transit which are stated at invoice values plus other charges thereon accumulated upto the reporting date. Cost in relation to raw materials, components and trading stock (except for parts and accessories included in trading stock which are valued on average basis) is arrived at principally on first in first out basis. Cost of work in process and finished stocks including components include direct wages and applicable manufacturing overheads.

Net realizable value represents the estimated selling price in the ordinary course of business less cost necessarily to be incurred in order to make the sale.

4.7 Trade debts and other receivables

Trade and other debts are carried at original invoice amount being the fair value. Provision is made against debts considered doubtful of recovery whereas debts considered irrecoverable are written off.

4.8 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purposes of cash flow statement, cash and cash equivalents comprise cash in hand, cash with banks and running finances.

4.9 Taxation

Current

Provision for current year's taxation is based on taxable income for the year at the current rates of taxation after taking into account tax credits and tax rebates available, if any, and taxes paid under the presumptive tax regime.

Deferred

Deferred tax is recognized using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities for the financial reporting purposes and the amounts used for taxation purposes.

Deferred tax asset is recognized for all the deductible temporary differences only to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax liabilities are recognized for all the taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rates that have been enacted or substantively enacted by the reporting date. Deferred tax is charged or credited in the profit and loss account, except in the case of items credited to equity in which case it is included in equity.

4.10 Assets subject to finance lease / finance lease

Leases that transfer substantially all the risk and rewards incidental to ownership of an asset are classified as finance leases. Assets on finance lease are capitalized at the commencement of the lease term at the lower of the fair value of leased assets and the present value of minimum lease payments, each determined at the inception of the lease. Each lease payment is allocated between the liability and finance cost so as to achieve a constant rate on the finance balance outstanding. The finance cost is charged to profit and loss account and is included under finance cost.

4.11 Staff retirement benefit - defined benefit plan

The Company operates an unfunded gratuity scheme. The scheme defines the amounts of benefits that an employee will receive on or after retirement subject to a minimum qualifying period of service under the scheme. The amount of retirement benefit is usually dependent on one or more factors such as age, years of service and salary.

The liability recognized in respect of gratuity scheme is the present value of the Company's obligation under the scheme at the reporting date, together with adjustment for unrecognized actuarial losses.

Latest actuarial valuation of the scheme was carried-out as at June 30, 2013 using the projected unit credit method. The present value of the obligation is determined by discounting the estimated future cash outflows using interest rates of high quality government securities that have terms to maturity approximating to the terms of the related obligation.

Actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions in excess of the greater of 10% of the obligation are charged to profit and loss account over the employees' expected average remaining working life.

4.12 Trade and other payables

Trade and other payables are measured at cost which is the fair value of consideration to be paid in future for goods and services received, whether or not billed to the Company.

4.13 Revenue recognition

Sales are recognized when goods are invoiced and delivered to customers.

Interest income is accrued on a time basis, by reference to the principal outstanding and the interest rate applicable.

4.14 Borrowings and their cost

Borrowings are recorded at the proceeds received. Borrowing costs are recognized as an expense in the period in which these are incurred except to the extent of borrowing cost that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs, if any, are capitalized as part of the cost of that asset.

4.15 Foreign currency translation

Transactions in foreign currencies are translated into Pak Rupee using the exchange rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Pak Rupee at the exchange rates prevailing at the reporting date. Exchange gains and losses are taken to profit and loss account.

4.16 Financial assets and liabilities

Financial assets and financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instrument and derecognized when the Company loses control of contractual rights that comprise the financial assets and in the case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is included in the profit and loss account for the year. All financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortized cost or cost as the case may be. The particular measurement methods adopted are disclosed in individual policy statement associated with each item.

4.17 Off-setting of financial assets and liabilities

Financial assets and liabilities are off-set and the net amount is reported in the financial statements only when there is a legally enforceable right to set-off the recognized amounts and the Company intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

4.18 Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

4.19 Warranty

The Company recognizes the estimated liability to repair or replace products still under warranty at the reporting date to the extent of non-reimbursable portion from the principal.

4.20 Dividend and appropriation to reserves

Dividend and other appropriations to reserves are recognized in the period in which they are approved.

4.21 Impairment loss

The carrying amounts of the Company's assets are reviewed at each reporting date to identify circumstances indicating occurrence of impairment loss or reversal of provisions for impairment losses. If any indications exist, the recoverable amounts of such assets are estimated and impairment losses or reversals of impairment losses are recognized in the profit and loss account. Reversal of impairment loss is restricted to the original cost of the asset.

4.22 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss after taxation attributable to ordinary shareholders of the Company by weighted average numbers of ordinary shares outstanding during the period.

4.23 Segment reporting

Segment information is presented on the same basis as that used for internal reporting purposes by the Chief Operating Decision Maker, who is responsible for allocating resources and assessing performance of the operating segments. On the basis of its internal reporting structure, the Company considers itself to be a single reportable segment; however, certain information, as required by the approved accounting standards, is presented in note 41 to these financial statements.

5.3 Leasehold land and buildings on leasehold land of the Company had previously been revalued in June 2010 by K.G. Traders (Private) Limited (PBA approved asset valuers and stocks inspectors). This revaluation exercise resulted in net surplus of Rs.437,276 thousand. Leasehold land and buildings on leasehold land of the Company has been again revalued in June 2013 by Sadruddin Associates (Private) Limited (PBA approved valuers) on the basis of present market value and depreciated market value. The latest revaluation exercise resulted in a net surplus of Rs.259,447 thousand over the net book value of Rs.1,390,622 thousand which has been incorporated in the books of the Company on June 30, 2013. Out of the revaluation surplus resulting from all the revaluations carried-out to date, an amount of Rs.1,644,859 thousand (2012: Rs.1,393,971 thousand) remains un-depreciated as at June 30, 2013.

5.4 Had the property, plant and equipment been recognized under the cost model, the carrying amount of building on leasehold would have been Rs.5,210 thousand (2012: Rs.5,516 thousand).

5.5 The detail of operating fixed assets disposed-off is as follows:

The amount of future minimum lease payments together with the present value of the minimum lease payments and the periods during which they fall due are as follows:

	2013			2012		
	Minimum lease payments	Finance cost	Present value of minimum lease payments	Minimum lease payments	Finance cost	Present value of minimum lease payments
	----- Rupees in 000 -----					
Not later than one year	9,785	2,299	7,486	7,949	2,279	5,670
Later than one year but not later than five years	18,336	3,234	15,102	15,240	1,626	13,614
Total minimum lease payments	28,121	5,533	22,588	23,189	3,905	19,284

The Company has acquired motor vehicles and machinery under finance lease arrangements from various leasing companies. The arrangements are secured by title of leased assets in the name of the lessor. Rentals are payable in monthly installments. Repair and insurance cost are borne by the Company. The rates of financial charges applied range from 12.30% to 18.25% (2012: 15% to 18%) per annum. At the end of the lease term, the ownership of the assets shall be transferred to the Company against security deposits paid.

20. DEFERRED LIABILITIES

Gain on sale and lease back of fixed assets 20.1
Staff retirement benefit 20.2

	2013	2012
	(Rupees in '000')	
Gain on sale and lease back of fixed assets	142	243
Staff retirement benefit	19,262	14,531
	<u>19,404</u>	<u>14,774</u>
20.1 Gain on sale and lease back of fixed assets		
Balance at beginning of the year	243	2,186
Less : amortization for the year	(101)	(1,943)
Balance at end of the year	<u>142</u>	<u>243</u>

The Company had entered into sale and leaseback transactions during the financial year ended June 30, 2010 which resulted in finance leases. The excess of sale proceeds over the net book value of motor vehicles under sale and leaseback arrangements had been recognized as deferred income and are being amortized over the period of the lease term.

20.2 Staff retirement benefit - gratuity

(a) The amount recognized in the balance sheet is as follows:

Present value of defined benefit obligation
Unrecognized actuarial losses
Net liability at end of the year

	2013	2012
	(Rupees in '000')	
Present value of defined benefit obligation	21,677	14,597
Unrecognized actuarial losses	(2,415)	(66)

		<u>1,214,536</u>	<u>843,976</u>

24.1 The Company has facility for short-term running finance amounting to Rs.170 million (2012: Rs.240 million) from a bank. Mark-up is based on 3 months KIBOR plus 2% per annum payable on quarterly basis. The facility is primarily secured against first pari passu charge by way of hypothecation over stocks and book debts aggregating Rs.227 million (2012: Rs.321 million). This facility is collateralized against equitable mortgage over land and buildings for an amount of Rs.189 million (2012: Rs.259 million). The facility has one year validity on roll over basis and is due for renewal on November 30, 2013.

24.2 The Company has arranged facilities aggregating to Rs.1,000 million (2012: Rs.700 million) for opening of letters of credit from banks. These facilities are secured against cash margin, consignment of import documents in bank's favor and personal guarantees of directors. Finance against Imported Merchandise (FIM) aggregating to Rs.740 million (2012: Rs.500 million) are sub-limits of abovementioned facilities. FIM is secured against cash margin and pledge of goods. Mark-up on FIM is payable on quarterly basis at rates ranging from 3 months KIBOR plus 2% to 3 months KIBOR plus 3% per annum. LC facility of Rs.700 million (with sub-limit of Rs.500) is valid for one year on roll over basis and is due for renewal on November 30, 2013 while rest of the facility are on one time basis.

- 24.3** The Company has Istisna and Murabaha facilities of Rs.498 million (2012: Rs.500 million) and Rs.250 million (Rs.Nil) respectively. Profit on both facilities is charged at the rate of matching KIBOR plus 2.5% per annum and is payable alongwith the repayment of principal. These facilities are secured against first pari passu hypothecation charge on current assets of Rs.1,000 million and personal guarantees of directors. These facilities shall be available till December 31, 2013.
- 24.4** The Company has an export refinance pre-shipment facility (with sublimit of export refinance post shipment facility) of Rs.100 million (2012: Rs.100 million). Primary security against this facility is first pari passu charge by way of hypothecation over stocks and book debts of Rs.134 million while collateral against the same is equitable mortgage of Rs.100 million. The facility is priced at SBP export re-finance rate plus 1% per annum. Tenor of individual tranche is 180 days on rollover basis. The facility has one year validity on roll over basis and is due to renewal on November 30, 2013.
- 24.5** The Company has an export / inland bills discounting facility of Rs.150 million. The facility is secured against lien over accepted bills under LCs. The facility has a maximum tenor of 180 days on roll over basis. Local bills are discounted at rate applicable for running finance facility. The facility has one year validity on roll over basis and is due to renewal on November 30, 2013.
- 24.6** The facilities for bank guarantees of Rs.930.757 million (2012: Rs.932.68 million). These are secured against cash margin and equitable mortgage over immovable assets of the Company to an extent of Rs.900 million. The facility has one year validity on roll over basis and is due to renewal on November 30, 2013.

25. CONTINGENCIES AND COMMITMENTS

25.1 Contingencies

- (i)** Suit against the Company by the supplier for the recovery of Rs.25.867 million (2012: Rs.25.867 million) as compensation for breach of agreement. The suit is being defended by the Company on a number of legal grounds. The suit is at present in evidence stage and the Company has plausible defence.
- (ii)** Various demands have been raised by the Central Excise and Sales Tax Departments aggregating Rs.4.896 million (2012: Rs.4.896 million). The Company filed Sales Tax Reference in High Court of Sindh against the order of Sales Tax Appellate Tribunal. The Sales Tax Reference had been decided vide order dated January 21, 2009 wherein the High Court of Sindh has set aside the order of the Tribunal and the remanded the case to the Tribunal. No provision has been made in these financial statements as, in the opinion of legal advisors, the Company will have favourable decision.
- (iii)** The Company had obtained legal advice in connection with the establishment of Worker's Participation Fund (the Fund) under the Companies Profits (Workers' Participation) Act, 1968 (the Act). The legal advisor is of the view that since, during the year ended June 30, 2006, the Company did not employ any person who falls under the definition of worker as defined in the Act of 1968, it was not legally or factually possible to constitute the Fund as required by section 3 of the Act. As a consequence, the Company was not required to make contributions to the Fund established pursuant to Workers' Welfare Fund Ordinance 1971. The Company based on legal advice had written back in the financial statements for the year ended June 30, 2007 the amount of contribution of worker's participation fund provided during the year June 30, 2006.

Furthermore, the question whether a company to which the Act of 1968 and its scheme applies but which does not employ any worker is nevertheless obliged to establish and pay contributions into the fund under the act and thereafter transfer the same to the fund established under the Workers' Welfare Fund Ordinance, 1971 is sub-judice before Sindh High Court as the Supreme Court of Pakistan accepted the petition of another company and remanded the case to the Sindh High Court for fresh decision in accordance with its order.

If it is established that the above provisions of the Act are applicable to the Company, provision in respect of year ended June 30, 2006 amounting to Rs.7.722 million including any penalties may become payable.

- (iv) The Assistant Collector Refund Group V has disallowed adjustment of Rs.28.91 million against output tax. The Company has filed appeal before Sales Tax Appellate Tribunal against the order passed by the Collector Appeals, whereby he had maintained the order of the Assistant Collector Refund. No provision is made in these financial statements as the hearing of the above referred appeal which is pending adjudication for want of the constitution of bench of Sales Tax Appellate Tribunal.

	Remuneration and other benefits	19,532	19,319

39. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

39.1 Financial risk factors

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk (including currency risk and interest / mark-up rate risk). The Company's overall risk management program focuses on having cost effective funding as well as manage financial risk to minimize earnings volatility and provide maximum return to shareholders.

39.2 Financial Assets and Liabilities by category and their respective maturities

On Balance Sheet	Interest / Mark-up bearing			Non interest / Mark-up bearing			Total
	Maturity up to one Year	Maturity after one Year	Sub-total	Maturity up to one Year	Maturity after one Year	Sub-total

2013	1,222,022	15,102	1,237,124	515,374	-	515,374	1,752,498
2012	849,646	13,614	863,260	364,825	-	364,825	1,228,085
On Balance Sheet Gap							
2013	(1,219,557)	(15,102)	(1,234,659)	(30,480)	7,344	(23,136)	(1,257,795)
2012	(830,471)	(13,614)	(844,085)	13,152	6,186	19,338	(824,747)
Off Balance Sheet							
Letters of credit							212,450
Letters of guarantee							930,757
Commitment for capital expenditure							5,878
						2013	1,149,085
						2012	1,408,109

The effective interest / mark-up rates for the monetary financial assets and liabilities are mentioned in respective notes to the financial statements.

39.3 Credit risk

Credit risk represents the accounting loss that would be recognized if counterparts failed to perform as contracted. Credit risk mainly arises from loans & advances, deposits, trade debts, other receivables and bank balances. The financial assets exposed to credit risk aggregate to Rs.492,895 thousand (2012: Rs.401,497 thousand).

Trade debts mainly represent receivables from government and semi-government agencies and are therefore not materially exposed to credit risk.

Deposits mainly include deposits with banks against letters of credit and guarantees and like bank balances represent low credit risk as they are placed with banks having good credit ratings assigned by credit rating agencies.

The Company attempts to control credit risk by monitoring credit exposure, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties.

39.4 Liquidity risk

Liquidity risk reflects the Company's inability in raising funds to meet its commitments. The Company manages liquidity risk by maintaining sufficient cash and bank balances and the availability of financing through banking arrangements.

39.5 Market risk

(a) Foreign exchange risk

Foreign currency risk arises mainly when receivables and payables exist due to transactions based on currencies other than Pak Rupee. As at June 30, 2013, receivables and payables exposed to foreign currency risk are Rs.1,805 thousand (2012: Rs.23,482 thousand) and Rs.81,943 thousand (2012: Rs Nil) respectively.

As at June 30, 2013 if the Pakistani Rupee had weakened / strengthened by 10% against Japanese Yen with all other variables held constant, profit/ loss before tax for the year would have been higher / lower by Rs. 7,797 thousand (2012: Rs. Nil), mainly as a result of foreign exchange losses/ gains on translation of Japanese Yen denominated financial assets and liabilities.

As at June 30, 2013 if the Pakistani Rupee had weakened / strengthened by 8% against U.S.\$ with all other variables held constant, profit/ loss before tax for the year would have been higher / lower by Rs. 688 thousand (2012: Rs. 1,884 thousand), mainly as a result of foreign exchange losses/ gains on translation of U.S.\$ denominated financial assets and liabilities.

The sensitivity of foreign exchange rate looks at the outstanding foreign exchange balances of the Company as at the balance sheet date. The volatility percentage for movement in foreign exchange rates has been used due to the fact that historically (5 years) rate has moved on average basis by the mentioned percentage per annum.

(b) Interest / mark-up rate risk

The Company's interest rate / mark-up risk mainly arises from bank borrowings. The Company has no significant interest bearing assets. Borrowings at variable rates exposes the Company to cash flow interest rate risk.

Interest / mark-up rate risk is the risk that the value of a financial instrument will fluctuate due to changes in the market interest / mark-up rates. As at June 30, 2013, the Company's interest bearing financial liabilities of Rs.1,237,124 thousand (2012: Rs.863,260 thousand) represent the short term borrowings at floating rate to manage the working capital requirements of the Company and obligation under assets subject to finance lease. These liabilities are re-priced at a maximum period of three months. The effective mark-up rates for financial assets and liabilities are mentioned in respective notes to the financial statements.

For the above mentioned interest bearing financial liabilities, had the interest rates varied by 100 basis points with all the other variables held constant, profit before tax for the year would have been approximately higher / lower by Rs.13,290 thousand (2012: higher / lower by Rs.10,106 thousand), mainly as a result of higher / lower interest expense on floating rate borrowings.

The sensitivity of 100 basis points movement in the interest rates has been used as historically (five years) floating interest rates have moved by an average of 100 basis per annum.

39.6 Fair value of financial assets and liabilities

The carrying value of all financial assets and liabilities reflects in the financial statements approximate their fair value.

40. CAPITAL RISK MANAGEMENT

The Company's objectives when managing capital are to safeguard the entity's ability to continue as a going concern, so that it can continue to provide adequate returns to shareholders and benefits to other stakeholders and to maintain an optimal capital structure to reduce cost of capital.

During the year, the Company's strategy was to maintain leveraged gearing. The gearing ratio as at June 30, is as follows:

	2013	2012
	(Rupees in '000')	
Total borrowings	1,237,124	863,260
Cash and bank balances	(40,289)	(91,218)
Net debt	1,196,835	772,042
Total equity	318,571	185,272
Total capital	1,515,406	957,314
Gearing ratio	79%	81%

The capital structure of the Company is equity based with no financing through long term borrowings except for liabilities against asset subject to finance lease. However, the Company avails short term borrowings for working capital purposes only.

41. OPERATING SEGMENTS

These financial statements have been prepared on the basis of a single reportable segment.

- (a) All non-current assets of the Company at June 30, 2013 are located in Pakistan.
- (b) 95.13% (2012: 94.12%) of the Company's sales relate to customers in Pakistan.
- (c) The Company has earned revenue from one (2012: one) customer amounting to Rs.1,517,476 thousand (2012: Rs.669.870 thousand) during the year which constituted 53.95% (2012: 34.03%) of the total sales.

42. PRODUCTION CAPACITY

The production capacity of the plant cannot be determined as this depends upon the mix of various product assembly of trucks, buses and fabrication of commercial bodies.

The Company has outsourced the assembly of trucks and buses to Ghandhara Nissan Limited (an Associated Company) therefore figures for the actual production for the current year has not been given.

	2013	2012
	(Rupees in '000')	
43. NUMBER OF EMPLOYEES		
Number of employees as at June 30,		
- Permanent	149	135
- Contractual	298	280
Average number of employees during the year		
- Permanent	144	130
- Contractual	286	275

44. DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorized for issue on September 30, 2013 by the Board of Directors of the Company.

45. CORRESPONDING FIGURES

Corresponding figures have been re-arranged and re-classified, wherever necessary, for the purpose of comparison and better presentation, the effect of which is not material.
